Woolga Choi - Biography

Woolga CHOI is a painter based in Seoul, South Korea, New York, USA, and Paris, France. Very well-known series, *the play series*, is a record of his life in between graffiti style and traditional oil painting. Each object has meanings; fish in a vase- fragile and limited human, barking woof - artist himself, portrait - friends and family, numbers - meaningful address or phone number, color patch- visual ornament element, and water pipes - new flow.
